# ABOUT US

History

It all started in 1958, in a small bottega  
situated in Pisticci, South of Italy.

This was where a teenage Giovanni,  
was taken under Nonno Ciccio's wing.

Fast-forward to 1998, to a new chapter  
where Giovanni and his brother took  
over the business. Ultimately, we found  
our way to Australian shores in 2009.

From our humble beginnings in Southern Italy, where Nonno Ciccio penned our  
family history, we have continued to pay homage to the beauty, and  
craftsmanship of our roots.

# Welcome to YOUR BOTTEGA D'INTERNI
